

Birthday Parties

@ RAIN HAYNE & SHINE FARMYARD

For Birthday Party Bookings at the FARMYARD prices are \$7each for children 1-2yrs, \$14 each for children 3yrs & over, 1 adult free with each paying child. Additional adults \$5 each. Minimum cost \$50, to be paid on booking.

Your visit includes a **PONY RIDE** (for the children), and a **HAY RIDE**.

All you need to do is complete your party list and bring the food. Most people keep it simple and either use the free gas BBQ (undercover) or the microwave to heat food.

We also have an electric stove top. There is free tea and coffee.

You are able to book a section of our train carriage for one hour for your party food at no extra cost.

This room has tables and chairs and a kitchenette.

Your visit will include bottle feeding of a young animal (when available) and of course all the normal access to all the animals to pat, feed and cuddle.

It is necessary to book to obtain the above deal.

When inviting your guests suggest they dress for the FARM and not their best party wear!

FAQ

Do I need to pay a deposit?

Yes. A \$50 deposit is required. Our EFT details will be provided with a confirmation form when we confirm numbers are suitable. Balance of payment on the day.

Can we bring alcohol?

Yes.

How long can we stay?

It is your choice within our opening hours, but we suggest at least three hours unless the children are very young.

What if it rains?

Naturally some of the activities will be limited if it rains, however we have two large sheds, one which permanently houses animals, the other is a hay shed which the children love to play in and into which we will bring some of the larger animals. Also you have access to the train carriage when you wish to eat.

Do you take credit card or EFTPOS?

No.

Can I decorate the train party room?

Yes, but if others have also booked the room on the same day your lead in time or pack up time may be limited.

Do we have to use the party room?

No, but we suggest you book it just in case the weather is not so good. It can be very hard to light the candles when the wind is blowing! We do have plenty of outdoor picnic tables also in the open and shaded.

What about siblings who are not invited to the party but come with their family?

Where visitors have travelled some distance or the children are very young, families usually stay, which often means additional brothers and sisters are involved. In this situation we have found that most families are happy to pay for their additional children. It may be helpful to mention this on the invitation.

Can I store food in a fridge or freezer?

Yes, we have a small bar size fridge and we usually can find space in our freezer for an icecream cake or icy poles. (Please request in advance)
